A Scout is Reverent Opening

Cubmaster or den leader:

As we start our meeting today, let's say our Pledge of Allegiance together and make the Cub Scout sign and say the Scout Law.

[Post colors – say the Pledge of Allegiance and the Scout Law.]

A Scout is trustworthy, loyal, helpful, friendly, courteous, kind, obedient, cheerful, thrifty, brave, clean and reverent.

Today we're going to talk about the last word in the Scout Law. That word is "reverent." What does it mean to be reverent? *[There will be many answers but somewhere in the mix, make sure they understand the following, "A Scout is reverent toward God. He is faithful in his religious duties. He respects the beliefs of others."]*

When we talk about "reverence," we also talk about respect. Part of being reverent is respecting the way others believe and feel since they may not have the same beliefs about God that we might. We can also have reverence towards the beauties of nature, about a place where something important happened in history and about people who have shown great leadership in service to others. We can feel reverence and respect about many things.

Talk to your family about being reverent and may you remember that "A Scout is reverent."

Clothespin Turkeys and Turkey Tag

Materials:

Clothespins (2 for each Cub Scout)

Markers/Crayons

Googly eyes (4 for each Cub Scout)

Orange construction paper (1 sheet per 40 Cub Scouts)

Red construction paper (1 sheet per 40 Cub Scouts)

Glue

Scissors

Instructions:

Cut out an orange beak (very small triangle) and a red gobble (small lopsided tear drop shape) for each turkey clothespin.

Color the top of each clothespin with markers/crayons.

With small amounts of glue, glue the googly eyes to the open end of the clothespin as well as the beak and the gobble.

While you wait for the glue to dry, explain how you play this turkey tag game.

Variation: Clothespins could be made as part of the gathering activity – so that they are dry by the time it's time to play.

Turkey Tag

For the game, the goal is to be the last person in the game with at least one turkey pin still on.

To start, each player can stick their 2 clothespin turkeys anywhere on their clothing that they want.

Each player tries to remove the other players' turkey clothespins without losing their own.

Once a player has grabbed a turkey pin off of someone else, they just drop it. When someone loses both turkey pins, they are out.

Thank You Closing

All Cub Scouts and leaders stand in a circle.

Cubmaster:

We are thankful for the world we live in. We are thankful for its beauty. We are thankful for the animals. Help us to take good care of the animals that share this world with us. Help us to always be out best.
